HARDY GARDEN ROSES for Autumn Delivery

We offer below a choice list of old and new Roses, of vigorous growth, in a great variety of colors, comprising the best of the old favorites and many new and interesting shades.

We especially recommend the new varieties we have listed as being an improvement in color and habit over the majority of the older ones. Up to the end of October there are generally a number of the best everblooming varieties to be seen in flower in our exhibition beds—come and see them. It may help to guide your selection.

The drops of yeast in this folder are $1.00 each, except where noted otherwise. On orders of fifty to one hundred plants we allow a discount of 5% and on orders of one hundred or more we allow 10%. Our prices are f.o.b. nursery.

HYBRID TEAS OR "EVERBLOOMING ROSES" (A few Hybrid Perpetuals or June Blooming Roses are also included, marked [H.P.]).
